

**REPORT FROM TRAINING “HUMAN RIGHTS AND INTERNATIONAL STANDARDS FOR TORTURE PREVENTION”**

**31 May 2007  
QKRMT/KRCT  
PRISHTINA**

**Intro**

On 31 May 2007 in Prishtina is held the training “ Human Rights and International Standards for Torture Prevention” , for participants to gain knowledge on this subject and to become aware of this negative occurrence in fight against it, even in the democratic countries has brought lots of consequences to its society.

Therefore, as organization whose priority is assistance of tortured persons and finding the mechanisms to prevent it, we have come through this that by organizing these trainings to convey knowledge about torture, forms of its manifestation and prevention of torture to the participants.

## **Participation**

In this training participated 18 participants, all ministries officials, while the lecturers were Mr. Habit Haredinaj who lectured on topic “ International standards for torture prevention” , Mr. Shefqet Berisha on topic” International Convent Against Torture and Mechanism of its Implementation “ and Mr. Agron Kelmendi who organized work in groups with case studies from Jurispodenc of European Tribunal for Human Rights. Whereas Mr. Gani Sylja from Association of ex-political prisoners was guest and he unfolded views from his personal experiences.

## **Aim**

The aim of this training was developing knowledge regarding a torture, its notion, ratification of torture by international acts, its appearance, factors and circumstances that affect its appearance and consequences of these acts for persons and societies affected by these inhumane acts.
